Letter dated 30 November 2016 from the Permanent Representative of the Syrian Arab Republic to the United Nations addressed to the President of the Security Council

Upon instructions from my Government, I have the honour to convey the following information:

In the framework of the great efforts exerted by the Syrian Government to alleviate the suffering of tens of thousands of civilians from the eastern part of Aleppo, and to provide them with the necessary daily life needs, after rescuing them from the horror of the terrorist armed groups, the Ministry of Foreign Affairs and Expatriates requested the office of the United Nations Resident Coordinator in Damascus in its official note No. 2901 dated 30 November 2016 to participate in these relief efforts, to use the warehouse stocks of the United Nations in Aleppo City, and to use any other available relief to respond to essential needs of the civilians. In this regard, the Syrian Government assured the Resident Coordinator that it will provide safety and security measures to the humanitarian personnel who will participate in this effort in the areas controlled by the Syrian Arab Army in Aleppo. In addition to that, the Ministry of Foreign Affairs and Expatriates approved the request of the Resident Coordinator in Damascus to visit Aleppo City tomorrow, Thursday 1 December 2016.

It would be highly appreciated if this letter could be issued as a document of the Security Council.
